Report on MITTAL Pipe Industry Educational Visit

An educational tour of the pipe factory established in the local village-Dulana was conducted by Shri Kuleshwar Mahadev Government College, Gobra Nawapara for the students of M.Sc. Chemistry. The main objective of the industry tour was to understand the process of pipe manufacturing, raw materials used, working system of machines, quality control and distribution system of Manufactured products.

Under the guidance and direction of the In charge Principal of college and Head of the Department Dr. Madhurani Shukla, the students visited industry.

The industry manufactures PVC, HDPE and CPVC pipes. These pipes are used for primary water supply, agricultural irrigation, sewage systems and building construction.

PVC reings, HDPE, Granules, Plasticizers, Stabilizers, Colours, Unique Machinery equipment, mixer machines, cooling tanks, cuter matches, testing equipment, etc. are used as raw materials in pipe manufacturing.

The production head of the industry explained the process of pipe manufacturing to the students. The manufacturing process is carried out in various stages – raw material mixing, extrusion process, cooling process, coating process, quality testing and final packaging.

About 35 students of M.Sc. of the college took advantage of this enlightening tour. The visit was very educational and experiential for the students. It gained real methodology, technical processes and practical knowledge of the construction industry. This knowledge will strengthen the career and technical understanding of the students in the future.

Report on Computer Training Program

Shri Kuleshwar Mahadev Shashakiya Mahavidyalaya, Gobra Nawapara successfully organized a computer training workshop with the aim of increasing digital literacy of students, imparting basic knowledge of computers, learning practical use of various software, internet ,E-mail and making them technically competent. This program was organized in the Computer Lab under the guidance of Dr. Madhurani Shukla, In charge Principal of the college and Head of the Department of Chemistry. In which students of different classes participated enthusiastically.

The programme began with the worship of Maa Saraswati, Deep lighting and the state song. The chief guest of the program was Mr. Shivam Sharma. Madhurani Shukla, In charge Principal of the college and Head of the Department, while highlighting the importance of computers said that in this modern era, knowledge of computers is very important. Computers have become a different part of our way of working.

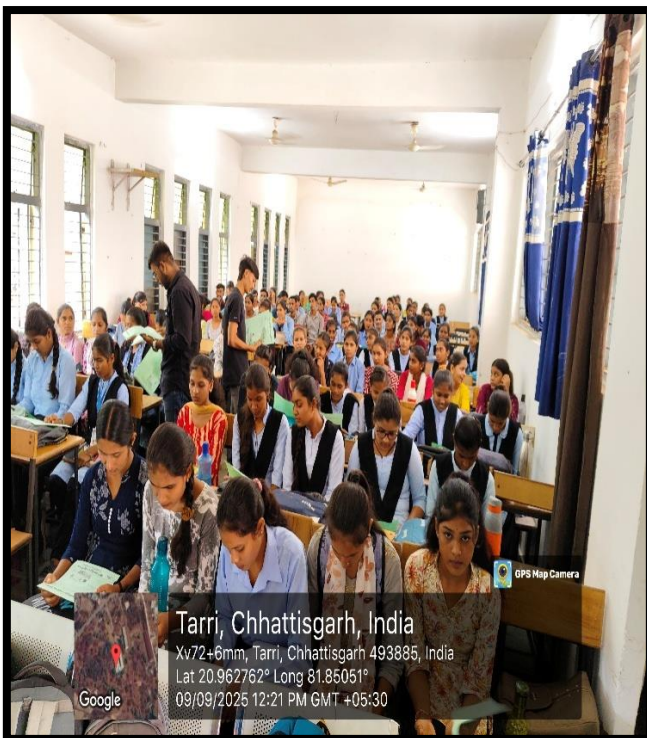

The training was conducted in two phases by Mr. Shivam Sharma, Computer Instructor. In the first phase, students were given theoretical knowledge about computer introduction, hardware, operating system and software such as MS Word, MS Excel, PowerPoint etc.

In the second phase, practical knowledge of various software was given to the students. In which the students were taught MS Word- Page Making, Table Formatting, Header, Footer, MS Excel- Sheet, Formula use, MS Power Point- Slide making, Running and Searching through the Internet.

The programme was attended by 40 students who imparted practical knowledge of computers, useful skills in employment and higher education.

The program was conducted by Mr. Mohar Singh, Guest Assistant Professor and expressed gratitude by Dr. Madhuri Kurre Department of Chemistry.

Report on Legal Awareness Program

The Legal Awareness Program was successfully conducted by the Department of Chemistry of Shri Kuleshwar Mahadev Government College, Gobra Nawapara, District Raipur with the aim of making the students and the society aware of their legal rights, duties and judicial procedures and to make them aware of the law. It was successfully completed under the guidance of In charge Principal Dr. Madhurani Shukla.

The programme was inaugurated with garlanding of the portrait of Maa Saraswati and lighting of the lamp. Thereafter, the Principal highlighted the importance of legal awareness in his address and said that knowledge of the law is necessary for every citizen to protect his rights and perform his duty.

The main speaker of the program, Mr. Komal Nishad, Police Station Rajim, provided detailed information to the students about the Fundamental Rights, Duties, Women and Child Protection Act mentioned in the Indian Constitution, Free Legal Aid Scheme, Prevention of Cyber Crime and Consumer Protection Act. He explained the usefulness of law in daily life through simple examples.

During the program, the students actively participated and got answers to their queries in the question and answer session. This program developed a positive attitude towards law among the students and made them more aware of their rights and responsibilities.

The program concluded with a vote of thanks, in which gratitude was expressed to all the guests, professors and organizers.

Report On Poster Making Competition Program

The Department of Chemistry of Shri Kuleshwar Mahadev Government College, Gobra Nawapara organized a poster competition on 20/11/2025 with the aim of developing the creative ability and thematic understanding of the students. The main objective of this competition was to create awareness among the students about creativity and scientific approach.

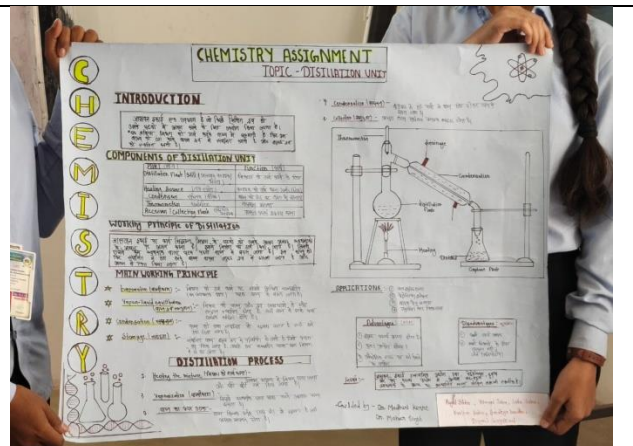

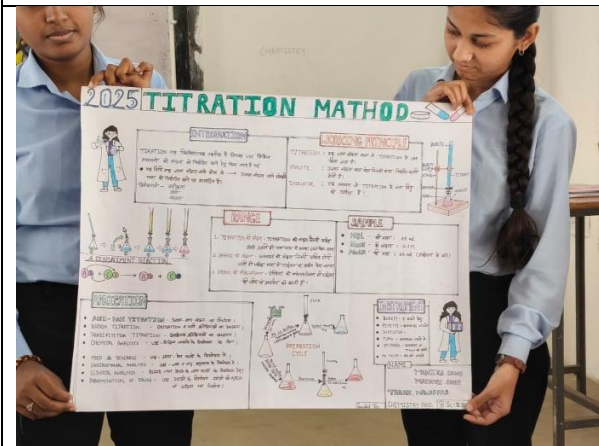

The theme of this competition was "Theory, Functions and Use of Scientific Instruments", on which attractive and informative posters were prepared among the students. A large number of students enthusiastically participated in the competition. Clarity of subjects, balance of colours and illustrations were used in all the posters.

The competition was inaugurated by the Principal of the college, Dr. Madhurani Shukla. In his address, he encouraged the students to actively participate in such activities.

The posters were evaluated by the jury on the basis of content, originality and creativity. In the competition 1ST Position secured by Monika Sahu & Group B.Sc. 1st semester, 2nd Position Nandani Sahu & Group B.Sc. 1st semester & 3rd Position Tushar Sahu & Group B.Sc. 1st semester.

This poster competition proved to be very useful and inspiring for the students. The event concluded with a vote of thanks.
