Summary :

Total 82 students participated in the meeting. The meeting was organised in their class room at 2:00 pm after theory classes.

We found that most of the students are thinking of doing B.Ed and clear the Exams for Govt Jobs.

Some students are thinking for UPSC and CGPSC Examination and some are interested in becoming Doctor and police. One of the students are interested in becoming Patwari.

Overall I found need of Career guidance in B.Sc IInd students. So that they would be able to complete their vision of future.
