# Introduction

The National Service Scheme (NSS) is a voluntary program in India that involves students in various community service activities. It was launched in 1969 with the aim of developing the personality and character of students through voluntary service. The NSS is a Central Sector Scheme of the Government of India, implemented by the Ministry of Youth Affairs and Sports.

## Objectives:

- To develop the personality and character of students through voluntary community service.
- To promote national integration and social harmony.
- To provide opportunities for students to learn and practice leadership skills.
- To establish meaningful linkages between campus and community.

## Activities:

- Social service activities in villages and urban areas
- Disaster relief and rehabilitation efforts
- Environmental protection activities
- Health and sanitation programs
- Blood donation camps
- Literacy campaigns
- Adult education programs

## Eligibility:

Students of 11th and 12th classes in schools, and students of technical institutions, graduate, and postgraduate courses in colleges and universities are eligible to join the NSS.

## Benefits:

- Personal and character development
- Leadership skills
- Social awareness and responsibility
- Community service experience
- Opportunities for national and international exposure
